Dated 17-10-1940

[Despatch Abstract.]

Honorary Medical Officer - Government Hospital, Kollegal
Civil Assistant Surgeon- post to be held by paid offi

surgical aid for the whole inhabitants of Kollegal Taluk; otherwise the people in and around Kollegal will have to go a long way off either to Mysore or to Bangalore for surgical aid. It is also more or less isolated from the District Headquarters of Coimbatore, the route being through hills and jungles and sometimes owing to monsoons the annual inspection of the District Medical Officer to the Govt. hospital Kollegal is rendered difficult. I feel therefore that the Govt. hospital, Kollegal should be in charge of a paid civil assistant surgeon with surgical experience as it is now, the bed strength being officially recognised as 32 and thereby coming within the scope of para. 2 (iii) of the G.O.No.3600 P.H.,dated 23-12-37. The Government may kindly be addressed in the matter.

Extracts from the Minutes Book of the hospital Advisory Committee of the Govt. hospital, Kollegal held on 11-9-40.

----

(1) Read the minutes of the last meeting by the Secretary. The minutes are recorded.

(2) Heard representations from Rao Sahib G.P.Mallappa and Sri Gurukkar Madappa~~n~~, the donnors of the Lingayath Kitchen and Maternity New Block respectively. This Committee endorses their opinion that it is desirable to have a paid Assistant Surgeon entirely controlled by the Government rather than an Honorary Surgeon as advertised in the papers for the following reasons:-

(a) This hospital has increased accommodation exceeding 30 particularly after the construction~~s~~ of the new maternity block. Today the number of in-patients is 43.

(b) This hospital is the only hospital in the Taluk maintained solely by the Government.

(c) It is far removed from the Headquarters hospital Coimbatore, 114 miles away.

(d) There is no private practitioner except one gentleman having an L.M.P. qualification of Mysore.

(e) The donors particularly feel that to popularise the newly opened Maternity Ward a full paid Government servant of an Assistant Surgeon Grade is essential.

A copy of his letter No. 6/40* dated 14-9-1940 is enclosed for reference. Respected Sir,

We, the humble residents of Kollegal town and taluk beg to bring to your kind consideration and favourable orders the following:

We hear that an Honorary Assistant Surgeon is to be posted to the Government Hospital at Kollegal instead of a paid Assistant Surgeon. This hospital has got accommodation for 30 beds and the daily average attendance of the out-patients is about 400. Besides this, there is a maternity block also which requires an experienced and able Assistant Surgeon to deal with the dificult labour cases and major operations. Kollegal is a far remote place and the people are very poor. There is no other hospital other than the Government hospital at Kollegal nearby. Mysore is 40 miles, Bangalore is 90 miles and Coimbatore is 120 miles from this place, so much so it is very dificult for the people here to get treatment for major operations from the hospitals in those places for they are so poor as to undertake such long journeys.

So, we humbly request you to allow the present system to continue here instead of an honorary assistant Surgeon for which act of kindness we shall be ever grateful to you.

We would like to bring to your kind notice that the Government have proposed to appoint an duty Honorary Medical Officer to the Govt. hospital, Kollegal to be in the place of the original Assistant Surgeon of the hospital.

Since you are personally aware of the local inconveniences of this back-ward place like Kollegal we consider that the appointment of an Honorary man will not be of much use to the public. We certainly prefer a paid Surgeon as there have been already improvements made for increasing the bed strength accommodation of the hospital, by constructing a maternity ward which you were kind enough to open on 18-8-39 and also the lingayat kitchen is under construction which will add facilities to the patients.

So we sincerely hope that you will kindly see that the post of the civil assistant surgeon at Kollegal may be retained permanently.

Hoping to receive a favourable reply at your convenience.

Prior to the construction of the maternity ward of 8 beds sanctioned in G.O. No. 2704 P.H. d 21.10.37, the sanctioned bedstrength of the Govt Hospital, Kollegal was 16. Including this maternity ward, the bedstrength of the hospital is 24. The S.G. now reports that the hospital can accommodate 32 beds and recommends that it may be deleted from the list of hospitals thrown open to honoraries. In the file regarding the fixation of bedstrength of certain hospitals in accordance with the accommodation available, it has been decided in circulation that the bedstrength should be fixed on the number that can be reasonably

accommodated and that the question of employment of addl staff may be considered as a Part II Scheme, as & when necessary, in instalments. In accordance with the above decision, the bedstrength of the Govt Hospital, Kollegal may be fixed at 32 and the hospital deleted from the list of hospitals thrown open to honoraries. If this is accepted, there is no need to consider the question of appointment of an honorary asst medical officer in the duty post of civil asst surgeon since the hospital comes within the scope of para 2(iii) of GO No. 3600 P.H. d 23.12.37.
